Dear Agency FO and CFO Colleagues,

As described in this [Info Memo](#), GH keeps a [tracker of activities that have been approved to proceed under the Lifesaving Humanitarian Assistance Waiver](#). We are writing to share the updated version of the tracker which includes approved activities as of today.

Based on these approved waivers, we are requesting that activation of LOC / Phoenix disbursement for all awards / activities listed in the [summary tab](#) of our tracker. This list includes critical activities for responding to Ebola in Uganda and other ongoing outbreaks.

Please confirm receipt and next steps.

Warmly,
Ramona
